Description

If it is common and natural to think of Mauritius as a paradise island, one thing is for sure: St Antoine is, without the shadow of a doubt, an exceptional spot on this idyllic little piece of tropical land! Situated in the Northeast of the island, St Antoine is one of the typical little villages of that region.

Charmingly rural and imprinted with authenticity, the rich and tropical plant life that surrounds it is characteristic of the area. It is here, nestled between land and sea, facing a lagoon of an exceptional beauty which harbours two precious and heavenly islets, that St Antoine – Private Residence desires to be the most beautiful expression of the Mauritian tropical way of life: the quintessence of life by the sea! Sixty Five luxury apartments and penthouses and fourteen plots of land span on over 17 acres. The two to four-bedroom apartments have been designed to optimise comfort in a stylish venue. They boast fine contemporary lines and a remarkable architecture in an exclusive location.

Foreign ownership, access to Mauritian residence permit and a favourable fiscal climate
