Description

Elegant, luxurious and comfortable, the West coast now has a world class estate and a place you will love to call home.
This 3-bedroom villa offers the best views of the sea and Le Morne mountain, as well as being light filled. This villa will be kissed by the South-East trade winds and will appeal to those who want to fully enjoy the savannah-type nature of the site. Its configuration includes movable vertical screens on the South facade to block out the prevailing winds and a more spacious inner courtyard, where the swimming pool has been placed.
There are three en-suite bedrooms, with an optional fourth bedroom, and the large and warm living space combines an open-plan kitchen, a spacious living room, and a dining room.
