About Marina Bay

This project comprising 31 residences, has been carefully designed to combine contemporary style and an ultra-modern setting.

The units are generously proportioned and have between one and four bedrooms. The penthouses have their own exclusive access and come with private pools. Ground-floor residences are blessed with private terraces and cozy gardens. All the others have balconies with sea views, while every unit is smart (optional).

You can enjoy walking around barefoot, particularly enjoyable on the sand. The overall impact is of coziness, comfort, and freedom or, more contemporarily phrased, a form of boho-chic.
