Description

A signature villa, this recently built architectural gem is the exact type of villa that a luxury property buyer will not want to miss.

Proudly standing in the Hedonia neighborhood of the world-class Anahita resort on the East coast, this spacious 5-bedroom VIP property is built on 3 levels, in perfect harmony with the sloping land topography.

A place where sophisticated luxury blends perfectly with the finest architectural detail and materials, you will be mesmerized as you enter the lobby with its high ceiling and the open staircase leading to the living area, in glory. This floor comprises 3 en-suite bedrooms, a spacious family living/dining room, as well as a kitchen that even the best chefs would envy. For an ultimate experience, this floor opens onto the main terrace, where a large swimming pool amid a manicured garden overlooks a fabulous sea view.

The next floor has another 2 bedrooms, and an open terrace offering great vistas over the mountains and the golf fairways all around.

In a spirit of pure grandeur, the villa has floor-to-ceiling windows, allowing natural light and ventilation to flood the interiors.

Not least, a real fashionista, the villa is immaculately decorated with Roche Bobois furniture and custom-made furniture, and each bedroom is decorated in a unique way, making this villa very special.

Life is too short not to enjoy the best of it, so do not hesitate and contact us for a visit... a moment of real magic!
